WORK SESSION

Supervisor Whitson opened the Meeting by stating that he feels we should pick out the top three or four priority laws and focus on them, then get an attorney involved to review the wording. After discussion, it was agreed to focus on the top few, but to involve only the county attorney Dan Manning for now, and then if it is needed, to seek outside council.

Committee members decided to focus on so named Law 2 - Compost/Livestock Mortality and Butcher waste and Carcasses. This was discussed page by page and changes were made. Committee members then worked through so named Law 3 – Livestock. This was discussed page by page and changes were made.

Committee members then decided the next meeting would focus on so named Law 4 – Odors and so named Law 1 – Garbage.

After the above discussion was concluded, it was agreed that Davina would update the two changed documents and would provide this information as soon as it is ready. The next Zoning Committee Meeting will be held on December 3, 2013, at 6:30 pm at the Bloomingdale Town Hall.
