RESOLUTION ADOPTING LOCAL LAW NO. 2 OF 2009

The following resolution was offered by Supervisor French, who moved its adoption.

WHEREAS, by Resolution No. 425 duly adopted at the Last Day of the Annual Meeting held on December 29, 2008, this Board of Supervisors introduced Local Law No. 2 of 2009, “Providing cash payments in lieu of health insurance coverage for any eligible employee and elected official in the County of Essex who is eligible to receive health insurance benefits under Essex County’s Personnel Policy or under any Collective Bargaining Agreement of which Essex County is a party”, and scheduled a public hearing thereon on January 5, 2009 at 9:45 o’clock in the forenoon of that day, to hear any and all persons concerning the same; and

WHEREAS, the aforesaid public hearing has been held by this Board, and due deliberation having been had regarding said proposed local law and the comments made with respect thereto at said public hearing.

BE IT RESOLVED, that the Essex County Board of Supervisors hereby adopts proposed Local Law No. 2 of 2009, as follows:

"ESSEX COUNTY LOCAL LAW NO. 2 OF 2009

A local law providing cash payments in lieu of health insurance coverage for any eligible employee and elected official in the County of Essex who is eligible to receive health insurance benefits under Essex County's Personnel Policy or under any Collective Bargaining Agreement of which Essex County is a party.

BE IT ENACTED by the Board of Supervisors of Essex County as follows:

§1. Title.

This local law shall be known as the "Local Law providing cash payments in lieu of health insurance coverage for any eligible employee and elected official in the County of Essex who is eligible to receive health insurance benefits under Essex County's Personnel Policy or under any Collective Bargaining Agreement of which Essex County is a party".

§2. Purpose.

The Board of Supervisors finds that some of its eligible employees and elected officials who could otherwise receive health insurance coverage through the County's group health insurance provider for themselves and/or their families may already have health insurance coverage available to them from another source. In cases such as these, the Board of Supervisors finds that it is an unnecessary expense for the County of Essex to provide such an employee health insurance coverage for an otherwise eligible employee of the County who already has sufficient health insurance coverage available from another source. It is therefore the intent of this local law to authorize Essex County employees and elected officials who already have health insurance coverage available to them outside of the County to elect cash payments in lieu of the County providing health insurance coverage for them and/or their families as set forth more fully below.

§3. Legislative Authority.

This chapter is enacted pursuant to §10, 1 (ii) a (1), of the Municipal Home Rule Law of the State of New York and is intended, to the extent inconsistent therewith, to supercede the provisions of General Municipal Law §92-a and 93, Civil Service Article XI and Town Law §27.

§4. Cash Payments for Non-participation of Plan.

(a) *Full-time County employees, part-time with benefits employees and*

appointed and elected officials of Essex County who are eligible for health insurance coverage paid for by the County shall have the option of either receiving County paid health insurance or money in lieu of health insurance coverage as set forth below.

- (b) Employees who are so entitled to family plan health insurance coverage through the County and opt to drop that coverage shall be entitled yearly to \$5,000.00, subject to proportional calculation in the event the employee makes his/her election other than at the beginning of the County's fiscal year.*
- (c) Employees who are so entitled to individual health insurance coverage through the County shall be entitled yearly to \$3,000.00 subject to proportional calculation in the event the employee makes his/her election other than at the beginning of the County's fiscal year.*
- (d) Cash payments will be made the first non payroll Friday in December each year.*
- (e) In order to obtain the health insurance buy-out, the employee must document to the County that other health insurance is available and the employee must sign a release to the County waiving any rights to health insurance coverage and releasing the County from any other health insurance related liability.*
- (f) If an employee who has elected the buy-out option loses his/her health insurance coverage, he/she must immediately notify the personnel office and his/her coverage will be reinstated upon the employee making the appropriate payment of the premium, if such premium is due, and otherwise satisfies any eligibility requirements.*
- (g) Any future changes to the hereinabove recited cash payments will be established from time to time by resolution of the County of Essex and/or by Collective Bargaining Agreement. The amount of such cash payment will never exceed the County of Essex actual cost of providing an eligible employee health insurance coverage through Essex County's health insurance programs and providers.*

§5. Effect on Income Tax.

An employee receiving payments pursuant to this chapter shall be fully responsible for any income taxes that may be payable with respect to such payments, and the County may withhold any amounts required by any applicable tax laws, federal or state, that relate to or require such withholding on payments of such nature.

§6. Definitions.

Employee. Includes all past, current and future employees of the County of Essex who are eligible under the County's policy for payments of all or portion of their health insurance premiums, and any past, current and future officers of the County who are otherwise eligible for partial or complete health insurance coverage.

§7. By and through this Local Law, the Essex County Board of Supervisors hereby ratifies its prior resolutions and policies providing for cash in lieu of health insurance benefits.

§8. This local law shall take effect immediately upon filing in the Office of the Secretary of State.
