**Note:** The above table includes information about property owners, their addresses, the type of property, the tax assessment, and the tax amount due. Each entry corresponds to a parcel on the tax roll for the Lake Placid School District. The table lists various properties with different types of ownership and tax classifications, along with their respective tax amounts due. The entries are organized to reflect the structure of the tax roll, with columns for parcel number, location, current owners, address, assessment, tax description, taxable value, and related tax information.

| **Note:** This spreadsheet contains data for multiple properties, each with their respective school and library taxes, ownership details, and full market values. The dates for payment (DATE #1) and amounts due (AMT DUE) are consistent throughout. The evaluation of the market values and the calculation of the total taxes are based on the school and library tax rates. The data is organized in a tabular format, with each row representing a different property along with its associated taxes.**
