I. Agency Specific Clauses

For the purposes of this Agreement, the terms "State" and "Department" are interchangeable, unless the context requires otherwise. In addition, the terms "Agreement" and "Contract" are interchangeable, unless the context requires otherwise.

A. Project Timetable

The Contractor agrees to proceed expeditiously with the Project and to complete the Project in accordance with any timetable associated therewith as set forth in the Work Plan (Attachment C) as well as with the conditions of any applicable permits, administrative orders, or judicial orders and this Agreement.

B. Budget Modifications

Prior DOS written approval, which requires a detailed breakdown and justification, is required for all requests for budget modifications, regardless of the amount of the modification. Additional approvals will be required when modifications exceed thresholds described below.

Any proposed modification to a contract that will result in a transfer of funds among program activities or budget cost categories, but does not affect the amount, consideration, scope or other terms of such contracts must be submitted to DOS for submission to the Office of State Comptroller for approval when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of more than five million dollars.

C. License to Use and Reproduce Documents, Intellectual Property and Other Works:

By acceptance of this Agreement, Contractor transfers to the Department a perpetual, transferable nonexclusive license to use, reproduce in any medium, and distribute, for any purpose, any intellectual property or other work purchased, developed or prepared for or in connection with the Project using funding provided pursuant to this Contract, including but not limited to reports, maps, designs, plans, analysis, and documents regardless of the medium in which they are originally produced. Contractor warrants to the Department that it has sufficient title or interest in such works to license pursuant to this Agreement, and further agrees and warrants that it shall not enter into any subcontract or other agreement purporting to limit such title or interest in such works in any manner that may compromise Contractor's ability to provide the aforesaid license to the Department. Such warranties shall survive the termination of this agreement. Contractor agrees to provide the original of each such work, or a copy thereof which is acceptable to the Department, to the Department before payments shall be made under this Agreement.

D. Property

The ownership of all property or intellectual property described herein and purchased, developed or prepared under the terms of this Contract shall reside with the Contractor with a reversionary interest in such property or intellectual property held by the Department, unless otherwise authorized or directed in writing by the Department. Except as otherwise provided in Section II.C.4 of the Standard Terms and Conditions, Contractor shall retain ownership of such property or intellectual property after the term of this Contract so long as such property or intellectual property is used for purposes similar to those contemplated by this Contract. Otherwise, the Contractor shall return such property or intellectual property to the Department at the Contractor's cost and expense, and Contractor's ownership interests, rights and title in such property or intellectual property shall revert to the Department. The ownership of all property purchased with federal funds provided pursuant to this Agreement, however, shall be governed by the terms of applicable federal law and OMB Circulars , including but not limited to 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," as amended.

E. Termination

The Department may terminate the Agreement in accordance with the terms and conditions set forth in the Master Grant Contract section of this Agreement. In addition to other reserved rights it has to terminate this Agreement, the Department may terminate or suspend the Agreement under the following circumstances:

1. The Contractor shall complete the project as set forth in this Agreement, and failure to render satisfactory progress or to complete the project to the satisfaction of the State may be deemed an abandonment of the project and may cause the suspension or termination of any obligation of the State. In the event the Contractor should be deemed to have abandoned the project for any reason or cause other than a national emergency or an Act of God, all monies paid to the Contractor by the State and not expended in accordance with this Agreement shall be repaid to the State upon demand. If such monies are not repaid within one year after such demand, the State Comptroller of the State of New York may cause to be withheld from the Contractor any State assistance to which the Contractor would otherwise be entitled in an amount equal to the monies demanded.
2. In the event that the Department has provided written notice to the Contractor directing that the Contractor correct any failure to comply with this Agreement, the Department reserves the right to direct that the Contractor suspend all work during a period of time to be determined by the Department. If the Contractor does not correct such failures during the period provided for in the notice, this Agreement shall be deemed to be terminated after expiration of such time period. During any such suspension, the Contractor agrees not to incur any new obligations after receipt of the notice without approval by the Department.
3. If the Department determines the Contractor has breached a term of the Agreement and if the Department determines the defect can be remedied, it may, in its sole discretion, issue a written notice providing the Contractor with a minimum of 30 days to correct the defect and the notice may include a prospective termination date. If the Contractor fails to

correct the defect or fails to make a good faith effort to do so as determined by the Department to the Department's satisfaction, the Department may terminate the Agreement for cause.

4. The Department shall also have the right to postpone or suspend the Agreement or deem it abandoned without this action being a breach of the Agreement. The Department shall provide written notice to the Contractor indicating the Agreement has been postponed, suspended or abandoned. During any postponement, suspension or abandonment the Contractor agrees not to do any work under the Agreement without prior written approval of the Department.
5. In the event the Agreement is postponed, suspended, abandoned or terminated, the Department shall make a settlement with the Contractor upon an equitable basis in good faith and under the general compensation principles and rates established in the Agreement by the Department. This settlement shall fix the value of the work which was performed by the Contractor to the Department's satisfaction prior to the postponement, suspension, abandonment or termination of the Agreement.
6. Any funds paid to the Contractor by the Department which are not expended under the terms of the Agreement shall be repaid to the Department.

F. Subcontracting Requirements

1. Contractor agrees that it shall not enter into any subcontract for the performance of work in furtherance of this Contract with any subcontractor that at the time of contracting: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://dbr.labor.state.ny.us/EDList/searchPage.do>); (2) is listed as an entity debarred from federal contracts (available at: <https://www.sam.gov/portal/public/SAM>); or (3) fails to possess requisite workers compensation and disability insurance coverage (see <http://www.wcb.ny.gov>). In addition, Contractor agrees that it shall immediately suspend or terminate any subcontract entered into for the performance of work in furtherance of this Contract if at any time during the term of such subcontract the subcontractor: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://dbr.labor.state.ny.us/EDList/searchPage.do>); (2) is listed as an entity debarred from federal contracts (list available at: <https://www.sam.gov/portal/public/SAM>); or (3) fails to maintain requisite workers compensation or disability insurance coverage (see <http://www.wcb.ny.gov>). Contractor agrees that any such suspension shall remain in place until the condition giving rise to the suspension is corrected by the subcontractor. The terms of this clause shall be incorporated in any and all subcontracts entered into in furtherance of this Contract.
2. The Contractor's use of subcontractors shall not diminish the Contractor's obligations to complete the Work in accordance with the Contract. The Contractor shall control and coordinate the Work of its subcontractors.

3. The Contractor shall be responsible for informing its subcontractors of all the terms, conditions and requirements of the Contract Documents including, but not limited to the terms of the Master Grant Contract, any and all Appendices, and any changes made by amendments thereto, and ensuring that any and all subcontracts entered into in furtherance of this Contract conform to and do not conflict with such terms.
4. Contractor shall file each and every subcontract entered into in furtherance of this Contract with the Department of State no later than fifteen (15) calendar days following the signing of the subcontract, unless otherwise authorized or directed by the Department of State.
5. Notwithstanding the requirements of Section IV.B.2 of the Standard Terms and Conditions, the Department reserves the right to require, upon notice to the Contractor, that, commencing from the date of such notice or a date otherwise specified in such notice, Contractor must obtain written approval from the Department prior to entering into any and all subcontracts valued at or below \$100,000 for the performance of any activities covered by this Contract (as provided for in Attachment C). Contractor agrees to require any proposed subcontractors to timely provide to the Department such information as may be requested by the Department as necessary to assess whether the proposed subcontractor is a responsible entity capable of lawfully and satisfactorily performing the work. In the event the Department invokes this right of prior approval and a request for approval is submitted by Contractor and denied by the Department, Contractor agrees that it shall not enter into the proposed subcontract and that no costs associated with such subcontract shall be allowable under this Contract.

1. All contracts by municipalities for service, labor, and construction involving not more than \$35,000 and purchase contracts involving not more than \$20,000 are subject to the requirements of General Municipal Law §104-b, which requires such contracts to comply with the procurement policies and procedures of the municipality involved. All such contracts shall be awarded after and in accordance with such municipal procedures, subject to the MWBE requirements as set forth in Section M and any additional requirements imposed by the State as set forth in Attachment C hereof.
2. During the term of this Contract, any changes in the information provided in the questionnaire shall be disclosed to the Department, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of the contract.

I. State Attorney General Charities Registration

In accordance with the Estates, Powers and Trust Law § 8-1.4 (s), the recipient certifies that it is in compliance with the requirements of Estate, Powers and Trusts Law sections 8-1.4 (d), (f), and (g), regarding organizations which administer property for charitable purposes registering and filing periodic reports (together with the appropriate filing fees) with the New York State Attorney General's Charities Bureau. This certification is a material representation of fact upon which reliance was placed by the Department of State in entering into this Agreement with the Contractor.

The Contractor agrees that it will provide immediate written notice to the Department of State if at any time it learns that this certification was erroneous when made or has become erroneous by reason of changed circumstances.

J. Records Access

The Contractor shall make such records available for review by the Department upon request at any time. The Department shall have the right to conduct progress assessments and review books and records as necessary. The Department shall have the right to conduct an on-site review of the Project and/or books and records of the Contractor prior to, and for reasonable time following, issuance of the final payment. The Department shall be entitled to disallow any cost or expense, and/or terminate or suspend this Agreement, if the Contractor has misrepresented any expenditures or Project activities in its application to the Department, or in this Agreement, or in any progress reports or payment requests made pursuant hereto. M. Minority and Women Owned Business Participation

Article 15-A of the New York State Executive Law, as amended, authorized the creation of a Division of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. This law supersedes any other provision in state law authorizing or requiring an equal employment opportunity program or a program for securing participation by minority and women-owned business enterprises. Under this statute, State agencies are charged with establishing business participation goals for minorities and women. The Department of State administers a Minority and Women-owned Business Enterprises (MWBE) Program as mandated by Article 15-A.

1. General Provisions

- a. The Department of State is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- b. The Contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the New York State Department of State (the “Agency”), to fully comply and cooperate with the Agency in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, state, and local laws. Contractor agrees that the terms “MWBE,” “MBE” and “WBE” as used herein, shall mean those MBE or WBE firms certified as such by the State pursuant to NY Executive Law Article 15-A and listed in the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.
- c. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section M(7) of this Attachment and such other remedies as are available to the Agency pursuant to the Contract and applicable law.

2. Contract Goals

- a. For purposes of this Contract, the Agency hereby establishes an overall goal of 30% for MWBE participation. The specific percentages for the New York State-certified Minority-Owned Business Enterprises (“MBE”) participation and the New York State-certified Women-Owned Business Enterprises (“WBE”) participation, (collectively, “MWBE Contract Goals”), are set forth in the Attachment B “Budget”, based on the current availability of MBEs and WBEs.
- b. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section 2(a) hereof, the Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women’s Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

- c. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied

towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the broker's contract.

FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the supplier's contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.

- d. The Contractor must document "good faith efforts," pursuant to 5 NYCRR §142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:
 - (1) Evidence of outreach to MWBEs;
 - (2) Any responses by MWBEs to the Contractor's outreach;
 - (3) Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
 - (4) The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the Agency with MWBEs; and,
 - (5) Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for MWBE participation.
3. Equal Employment Opportunity ("EEO")
- a. The provisions of Article 15-A §312 of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.
 - b. In performing the Contract, the Contractor shall:
 - (1) Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

- (2) The Contractor shall submit an EEO policy statement to the Agency within seventy two (72) hours after the date of the notice by Agency to award the Contract to the Contractor.
- (3) If the Contractor, or any of the subcontractors does not have an existing EEO policy statement, the Agency may require the Contractor or subcontractor to adopt a model statement (see Form A - Minority and Women-Owned Business Enterprises Equal Employment Opportunity Policy Statement).
- (4) The Contractor's EEO policy statement shall include the following language:
 - (a) The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - (b) The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
 - (c) The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
 - (d) The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph "e" of this section 3, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

c. Form B - Staffing Plan

If the total expenditure of this contract is in excess of \$250,000, the following provision shall apply: The Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational

categories. The Contractor shall complete the Staffing plan form and submit it as part of their proposal or within a reasonable time, as directed by the Department of State.

d. Form C - Workforce Utilization Report

- (1) The Contractor shall submit a Workforce Utilization Report, and shall require each of its subcontractors to submit a Workforce Utilization Report, in such form as shall be required by the Agency on a monthly basis for construction contracts, and on a quarterly basis for all other contracts, during the term of the Contract.
- (2) Separate forms shall be completed by the Contractor and any subcontractors performing work on the Contract.
- (3) The Contractor shall comply with the provisions of the Human Rights Law, as well as all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

4. MWBE Utilization Plan

- a. The Contractor represents and warrants that the Contractor has submitted an MWBE Utilization Plan or shall submit an MWBE Utilization Plan at such time as shall be required by the Department of State through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that the Contractor may arrange to provide such evidence via a non-electronic method to the Department of State, either prior to, or at the time of, the execution of the contract.
- b. The Contractor agrees to adhere to such MWBE Utilization Plan for the performance of the Contract.
- c. The Contractor further agrees that a failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Agency shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

5. Waivers

- a. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver through the NYSCS, or a non-electronic method provided by the Agency (use Form E - Waiver Request). Such waiver request must be supported by evidence of the Contractor's good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, the

Agency shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.

- b. If the Agency, upon review of the MWBE Utilization Plan, quarterly MWBE Contractor Compliance Reports described in Section 6, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals and no waiver has been issued in regards to such non-compliance, the Agency may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

6. Quarterly MWBE Contractor Compliance Report

The Contractor is required to submit a Quarterly MWBE Contractor Compliance Report (Form F) to the Agency by the 10th day following each end of quarter over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

The Agency may require the Contractor to use the NYSCS to submit utilization plans, record payments to subcontractors and otherwise report compliance with the provisions of Article 15-A of the Executive Law and regulations. Technical assistance can be obtained through the NYSCS website at <https://ny.newnycontracts.com> by clicking on the "Contact Us & Support" link.

The Department makes no representation with respect to the availability or capability of any business listed in the Directory.

7. Liquidated Damages - MWBE Participation

- a. Where the Agency determines that the Contractor is not in compliance with the requirements of the Contract and the Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to the Agency liquidated damages.
- b. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - (1) All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 - (2) All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- c. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the Agency, the Contractor

shall pay such liquidated damages to the Agency within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

N. Service-Disabled Veteran-Owned Businesses Participation

Article 17-B of the Executive Law, enacted in 2014, authorized the creation of the Division of Service-Disabled Veterans' Business Development to promote participation of Service-Disabled Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 17-B.

To comply with the SDVOB Program goals of 6%, the Department of State strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services and technology in the performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <http://www.ogs.ny.gov/core/SDVOBA.asp>.

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS), and maintains a directory of the NYS Certified SDVOBs. For assistance with engaging SDVOB vendors in your contracts, please contact the Division of Service-Disabled Veterans' Business Development at the following email address: VeteransDevelopment@ogs.ny.gov, or the DOS Division of Affirmative Action Programs – SDVOB Program at Maria.Herman@dos.ny.gov or Api.Ohouo@dos.ny.gov.
