Walter Tupper	Luck Brothers

The Pre-Bid for the above-mentioned project took place on May 11th at 9am on the project site. The following questions were addressed.

Q: Is Essex County open to being flexible with the completion date?

A: Yes. But it needs to be kept in mind that there can only be a maximum of 2-week road closure, and the contractor will be responsible for any extensions to the permits.

Additionally: The contractor will need to give the County reasonable notice (3-4 weeks) of the closure schedule to give adequate time to inform all affected parties.
