**Addendum #2
June 19, 2013**

This Addendum, issued to proposal document holders of record, indicates changes to the documents for the Bid for Moriah Center Bridge due June 21, 2013. This addendum is hereby made part of the Contract Documents. All other requirements of the Contract Documents remain in full force and effect. Please include this page as part of your bid specifications.

The following clarifications should be added as follows:

On drawing sheet ST-13 Note 3:

- Change to “Temporary excavation system is to be paid for under items 211.10, 552.2001, 552.230201, 553.020001 and 553.020002. See DWG. NO ST-14 to ST-22 for limits and details. Walers, struts, bracing and all connections shall be paid for under item 552.230201 in accordance with 552-5.06 D and 552-2.05 A.

On drawing sheet ST-32, Note 4:

- Change to “The contractor’s attention is directed to the item 555.72950010 specification requiring a 3’ x 3’ x 4” completely finished sample of integral color stained concrete for submittal as directed in the specification. The color of stained concrete shall be natural. The surface texture and coloring of the pattern shall be submitted to the County for approval prior to submission of the sample. All costs associated with the submittal process shall be included under item 555.72950010.”

On drawing sheet TCP-3, the special note on the building demolition was omitted from the proposal and should read:

- The Contractor is hereby advised that the building located at 2817 Plank Road (The Old Mill Restaurant) is currently owned by Essex County and shall be demolished within 45 calendar days of the contract award. Demolition of this building will allow for necessary utility line relocations and construction of the temporary bridge along with

providing a temporary staging area for construction. The building is currently vacant. Water and sewer laterals must be capped prior to building demolition. The contractor shall ensure that the water service is off and electric service is no longer active. The Contractor is advised that an asbestos survey has been completed and no asbestos containing materials were identified within the building.

The attached special note- “Office Technology and Supplies –Technical Requirements for Item 637.34” shall be added to the proposal book under the special notes section.

Please note in the above specification for item 637.34, “High speed internet service shall be provided and included in the payment under item 637.11- Engineering Field Office”

Please sign and return with your proposal:
