Minerva

Statements of bridges in Town of Minerva N.Y.

On road commencing at town line of Schron and leading to state road to North Creek

- 1 wooden structure length 13^{ft} x 13^{ft} wide covering plank abutments stone condition good
- 2 Iron structure length 48^{ft} x 13^{ft} wide covering plank abutments stone condition good
- 3 Iron structure length 40^{ft} x 13^{ft} wide covering plank abutments stone condition good
- 4 wooden structure length 6^{ft} x 13 wide covering plank abutments stone condition good
- 5 Iron structure length 50^{ft} x 13^{ft} wide covering plank abutments stone condition good
- 6 wooden structure length 10^{ft} x 20^{ft} wide covering plank abutments stone condition good

On road commencing at the Gore and leading to Irish Town

- 7 Iron structure length 43^{ft} x 13 wide covering plank abutments stone condition good
- 8 wooden structure length 12^{ft} x 13^{ft} wide covering plank abutments stone condition good
- 9 wooden structure length 8^{ft} x 13 wide covering plank abutments wood condition good
- 10 wooden structure length 13^{ft} x 13^{ft} wide covering plank abutments wood condition good
- 11 wooden structure length 10^{ft} x 13 wide covering plank abutments wood condition good
- 12 wooden structure length 8^{ft} x 13^{ft} wide covering plank abutments stone condition good

X

13 wooden structure length 13^{ft} x 18^{ft} wide covering plank
abutments wood condition good.

14 Iron structure length 39^{ft} x 13^{ft} wide covering plank
abutments stone condition good.

On road commencing at Warren Coline and leading to 111 Linerva

15 wooden structure length 13^{ft} x 13^{ft} wide covering cedar
abutments stone condition good.

16 Iron structure length 40^{ft} x 13^{ft} wide covering plank
abutments stone condition good. Federal Flats.

17 wooden structure length 14^{ft} x 18^{ft} wide covering plank
abutments stone condition good.

18 Iron structure length 42^{ft} x 13^{ft} covering plank
abutments stone condition good. Abstraduk

On road commencing at North Henderson and leading to Newcomb line

19 Iron structure length 57^{ft} x 13^{ft} wide covering plank
abutments stone condition good.

20 wooden structure length 7^{ft} x 13^{ft} wide covering plank
abutments wood condition good.

21 wooden structure length 8^{ft} x 13^{ft} wide covering plank
abutments wood condition good.

22 wooden structure length 7^{ft} x 13^{ft} wide covering plank
abutments wood condition good.

23 wooden structure length 8^{ft} x 13^{ft} wide covering plank
abutments wood condition fair.

24 wooden structure length 8^{ft} x 13^{ft} covering plank
abutments wood condition fair.

On the road commencing at State road and leading to 11000 Road

25 wooden structure length 12^{ft} x 13^{ft} wide covering plank
abutments wood condition fair.

26 wooden structure length 10^{ft} x 13^{ft} wide covering plank
abutments wood condition fair.

27 wooden structure length 26 ft. x 13 wide covering plank
abutments wood condition fair

28 wooden structure length 8 ft. x 13 wide covering plank
abutments wood condition fair

29 wooden structure length 20 ft. x 13 ft covering plank
abutments wood condition fair

30 wooden structure length 15 ft. x 13 ft wide covering plank
abutments wood condition fair

31 wooden structure length 13 ft. x 13 ft wide covering plank
abutments wood condition fair

On road commencing at state road and leading to North Wood Club.

32 Iron structure length 14 ft. x 13 ft wide covering plank
abutments stone condition good

33 wooden structure length 6 ft. x 13 wide covering plank
abutments wood condition fair

34 wooden structure length 18 ft. x 13 ft covering plank
abutments wood condition fair

35 wooden structure length 16 ft. x 13 ft wide covering plank
abutments wood condition fair

36 wooden structure length 18 ft. x 13 ft wide covering plank
abutment wood condition fair

37 wooden structure length 11 ft. x 13 ft wide covering plank
abutments wood condition fair

38 wooden structure length 10 ft. x 13 ft wide covering plank
abutments wood condition fair

39 wooden structure length 8 ft. x 13 ft wide covering plank
abutment wood condition fair

40 Iron structure length 64 ft. x 13 ft wide covering plank
abutments stone condition good

41 wooden structure length 8 ft. x 13 ft wide covering plank
abutments wood condition fair

- 42 wooden structure length 10^{ft} x 13^{ft} wide covering plank
abutments wood. condition fair
- 43 wooden structure length 10^{ft} x 13^{ft} wide covering plank
abutments wood. condition fair
- 44 wooden structure length 12^{ft} x 13^{ft} wide covering plank
abutments wood. condition fair

On road commencing at Dutch Town and leading to North River

- 45 Iron structure length 66^{ft} x 13^{ft} wide covering plank
abutments stone condition good.
- 46 wooden structure length 9^{ft} x 13^{ft} wide covering plank
abutments stone condition good.
- 47 wooden structure length 15^{ft} x 13^{ft} wide covering plank
abutments stone condition good.
- 48 wooden structure length 13^{ft} x 13^{ft} wide covering plank
abutments stone condition good.
- 49 Iron structure length 21^{ft} x 13^{ft} wide covering plank
abutments stone condition good.
- 50 wooden structure length 10^{ft} x 13^{ft} wide covering plank
abutments stone condition good.
- 51 wooden structure length 7^{ft} x 13^{ft} wide covering plank
abutments stone condition good.
- 52 wooden structure length 8^{ft} x 13^{ft} wide covering plank
abutments stone condition good.
- 53 wooden structure length 16^{ft} x 13^{ft} wide covering plank
abutments wood condition good.
- On road commencing at State road and leading to Lawrence River.
- 54 wooden structure length 9^{ft} x 13^{ft} wide covering plank
abutments stone condition good.
- 55 wooden structure length 13^{ft} x 13^{ft} wide covering plank
abutments stone condition good.

Statement of Bridges in Town of Minerva N.Y. 7/11/17

On road known as the John Miller road.

56 Iron structure length 21' x 13' wide covering plank
abutments stone condition good.

57 wooden structure length 11' x 13' wide covering plank
abutments stone condition good.

58 wooden structure length 7' x 13' wide covering plank
abutments wood condition fair

59 wooden structure length 18' x 13' wide covering plank.
abutments stone condition good.

On road leading from town line of Indian Lake to Booley place

60 wooden structure length 11' x 13' wide covering plank
abutments wood condition fair

61 wooden structure length 20' x 13' wide covering plank
abutments wood condition fair

62 wooden structure length 10' x 13' wide covering plank
abutments wood condition fair

Minerva

On State road leading from Warren Co line to Newcomb line

- 63 Iron Structure length 22 ft x 16 wide covering concrete
Abutments concrete condition
- 64 Concrete Structure built by State length 18 ft x 16 covering concrete
Abutments concrete condition good
- 65 Concrete Structure built by State length 10 ft x 16 covering concrete
Abutments concrete condition good
- 66 Concrete Structure built by State length 15 ft x 16 covering concrete
Abutments concrete condition good
- 67 Concrete Structure built by State length 13 ft x 16 covering concrete
Abutments concrete condition good
- 68 Concrete Structure built by State length 17 ft x 16 covering concrete
Abutments concrete condition good
- 69 Iron Structure length 19 ft x 13 wide covering plank
Abutments Stone condition good.
- 70 Iron Structure length 106 ft x 13 ft wide covering plank
Abutments Stone condition good
- 71 Concrete Structure built by State length 22 ft x 16 covering concrete
Abutments concrete condition good.

Frank O'Donnell

Town Superintendent of Highways
