### SECTION 14: Provider Attestations and Agreements <u>https://ocfs.ny.gov/programs/childcare/regulations/415-Child-Care-Services.pdf</u> By signing this enrollment application, the provider attests and agrees to the following:

#### **ALL Providers:**

- I have reviewed the Health and Safety Requirements listed in 18 NYCRR 415 and on pages 9-12 of the attached instructions guide OCFS-LDSS-4699a and agree to meet and continue to meet all requirements.
- > I will immediately notify the enrollment agency and the parent/caretaker if there are changes to any section of this enrollment form.
- I agree to collect the family share (fee) if instructed to do so by the local social services district. I will immediately notify the local social services district if the parent/caretaker fails to pay the required family share.
- I understand that I must not charge parents more for the cost of child care for children receiving child care assistance than for children not receiving child care assistance.
- I understand that I will not be paid by the local social services district for any child care that I provide to a child(ren) receiving child care assistance while I am deemed an ineligible provider by the enrollment agency.
- I understand that if I provide care in a child's own home, I am employed by the parent/caretaker, and the parent/caretaker is responsible to pay my wages, benefits, and all applicable federal and state employment taxes.
- > I understand that I must be enrolled with an enrollment agency before any payment may be made.
- I understand that if the enrollment agency determines I cannot be enrolled, then the local social services district cannot issue payment for care that I have provided. The parent/caretaker has the right and responsibility to decide whether they want to use my child care services. If the parent/caretaker chooses to use my child care services when I cannot be enrolled, I can hold the parent/caretaker responsible to pay me for the child care.
- > I understand that I am required to comply with any and all inspections that will be conducted at the child care site.
- > I have reviewed the Parent/Caretaker Attestations and Agreements in Section 15 and agree with all requirements of the parent/caretaker.

### Relative-Only In-Home Child Care Providers and Relative-Only Family Child Care Providers:

### I understand that

- I must be related to all children in care as either a grandparent, great-grandparent, sibling living in a separate residence, aunt or uncle, and have indicated such relationship to all children in Section 3 of this form.
- I must ask all employees, volunteers and, for relative-only family child care, adult household members, if they have been convicted of a misdemeanor or felony in the State of New York or any other jurisdiction. If I or any such individuals have been convicted of a misdemeanor or felony, I am required to provide true and accurate information about the crime to enable the parent/caretaker and enrollment agency to evaluate whether the criminal background poses an unreasonable risk to the safety or welfare of the child.
- I must not be enrolled as a relative-only in-home or family child care provider if I, an employee, volunteer or, for relative-only family child care, adult household member has been convicted of a misdemeanor or felony against a child.
- I may not be enrolled as a relative-only in-home or relative-only family child care provider if I have been, or if I employ a person or use a volunteer who has been, or for relative-only family child care, live with an adult household member who has been, convicted of a misdemeanor or a felony other than crimes against a child, unless the enrollment agency finds the circumstances are consistent with guidelines issued by OCFS for evaluating such criminal conviction records.
- I must not be enrolled as a relative-only in-home or relative-only family child care provider if I knowingly make materially false statements in connection with a criminal background history or refuse to cooperate with the criminal history evaluation.

- I must provide the information for myself, any employees or volunteers, and any adult household member (for relative-only family child care) to allow the enrollment agency to conduct a check of the New York State Sex Offender Registry maintained by the New York State Division of Criminal Justice Services, via the registry's toll-free telephone number to determine if such person is listed on the New York State Sex Offender Registry.
- I must not be enrolled as a relative-only in-home or relative-only family child care provider if any such individual is listed on the New York State Sex Offender Registry.

### **SECTION 15: Parent/Caretaker Attestations and Agreements**

#### By signing this form, the parent/caretaker attests and agrees to the following:

- I have reviewed the Health and Safety Requirements listed in 18 NYCRR 415 and agree that the provider must meet and continue to meet all requirements.
- > My child care program must give me unlimited and on-demand access including:
  - Access to my child(ren)
  - The right to inspect, at any time during the hours of operation, all parts of the facility used for child care or those which could present a hazard to the health and/or safety of my child(ren)
  - Access to the staff for my child(ren)
  - o Access to written records about my child(ren) except when otherwise restricted by law
- > I will notify the enrollment agency immediately if
  - o my address or phone number changes, or
  - o I have any concerns about the health and safety of my child(ren) in the program's care.
- I understand that this enrollment applies ONLY to the provider and the location of care listed in Section 1. If the provider OR the location of care changes, this enrollment ends, and I must submit a new enrollment form for the new provider or the new location.
- I will immediately notify the local social services district and the provider if the hours that I need child care or other circumstances related to my need or eligibility for child care change.
- > I agree to pay my family share, if any, as directed by the local social services district.
- I understand that if the provider is denied enrollment or has his or her enrollment terminated, the provider will be considered ineligible to provide child care. The local social services district cannot pay the provider or issue payment for the care given by a provider who cannot be enrolled or who is ineligible.
  - o If I choose to use an ineligible provider, I am responsible to pay for the child care.
  - o I understand I have the right to select another provider.
- If I choose a provider to provide care in my home, I am the sole employer of the provider. As the sole employer, I am responsible for paying minimum wage and benefits to the provider as well as all applicable federal and state employment taxes required. I also understand that any child care benefit for which I am eligible may not cover the entire cost of care, and I am responsible for the costs the child care benefit does not cover.
- > If the provider is denied enrollment or has their enrollment terminated, the provider will be considered ineligible to provide child care.
- If I selected a relative-only in-home or relative-only family child care provider, the provider must inform me if they, any employees or volunteers, or any adult household member (if it is a family child care), has been the subject of an indicated report of child abuse and maltreatment. In circumstances when a provider has disclosed to me that they have been indicated as the subject of child abuse and maltreatment, I have received detailed information pertaining to the incident, I have carefully considered the information, and I am selecting this provider.
- > I have reviewed the Provider Attestations and Agreements in **Section 14** and understand and agree with all requirements of the provider.
