RE: Notice to Bidders- EV Charging Station Purchase and Installation.

Dear Mr. Schuyler Poukish:

The Town of Westport would like to thank your organization for providing a bid for our EV Charging Station project. We are happy to announce that we have awarded the above-mentioned project to your company in the amount of \$110,888.50.

We ask that Livingston Energy Group negotiate and execute a contract which includes the terms contained in the bid and such additional terms as are reasonably required by the Town. This notice of bid is subject to execution of a written contract and, as a result, this notice does not constitute the formation of a contract between the parties. The Town reserves the right to cancel the award at any time prior to the execution of a written contract.

Please call (518) 962-4419 to discuss setting up a virtual or in person meeting. At the time of the meeting, we can review and discuss the terms of the contract.

We look forward to working with you, as this project is a priority for the local community.

Sincerely,

Michael Tyler
Town Supervisor
