

Vaccine Fee Schedule

Effective October 3, 2019

Includes Lead Screening and PPD

Essex County Health Department applies a sliding fee scale. You may be eligible to pay less than the Total Cost listed below based on your income. The clinician can review the sliding fee scale with you.

Vaccine	Vaccine Cost	Administration Cost	Total Cost	Payment
Hepatitis A (adult) 7K5T4	\$41	\$35	\$76	<p>We can bill <i>Public insurance: Medicaid, Medicare Part B, Child Health Plus, or Fidelis Managed Care, and also Excellus private insurance.</i> Must present cards at visit to receive vaccine at no charge.</p> <p>Sorry, we do not YET bill <i>Other private insurance including secondary Medicare Part B or Medicare Part D.</i> We require payment at the time of vaccination. Clients may submit receipt provided by ECHD to private insurance for reimbursement.</p> <p><i>Vaccine Fee Schedule is subject to change based on Vaccine Cost.</i></p>
