This Addendum, issued to bid document holders, indicates changes to the bid documents for the *Electrical Contractor Services Invitation to Bid (ITB)* pertaining to the pre-bid site visits. Additions appear in colored, underlined text.

This Addendum is hereby made part of the Contract Documents. All other requirements of the Contract Documents remain in full force and effect.

## **SECTION 00 20 00 – INSTRUCTIONS TO BIDDERS**

### **PART 2 – PRE-BID CONFERENCE AND SITE VISITS**

#### **PART 2.01 – SITE VISITS**

C. Bidders are responsible for all costs associated with conducting the site visits including personnel time and travel expenses.

1. Bidders are required to provide their own 4-wheel drive vehicle for the site visits. The County will escort the bidders to the sites, but will not provide transportation for the bidders.

2. Bidders are encouraged to provide their own all-terrain vehicle (ATV) to access Blue Mountain since the Site is inaccessible by standard vehicles and requires a 3-hour hike to and from the summit without an ATV. If bidders do not have an ATV, the Engineer plans to present photographs of

the Site during the pre-bid meeting, however this is not guaranteed.

23. Lunch shall be a maximum of 45 minutes. The County will not provide meals and/or beverages. Given the remote locations of most of the sites, PROPOSERS should pack an appropriate amount of food and beverage for the entire day.

This Addendum is hereby made part of the Contract Documents.
