Please note the following additional Questions and Answers:

QUESTIONS in Regular Font – **ANSWERS in Bold Italics**

1. Is furnishing and installing the anchor bolts required under the Site Work/Concrete contract or the GC contract?

The sitework/concrete contractor should furnish and install anchor bolts

2. The S drawings are listed for both the GC scope and the Site Work/Concrete scope (in section 011000), are drawings S101 and S102 completely associated with the concrete scope and drawings S103 and S121 associated with the GC contract?

YES

3. The project schedule indicates substantial completion is 180 days after notice to proceed, while the bid documents state the work will be completed by December 1st, 2017. Please review and advise.

Delete reference to December 1, 2017, substantial completion 180 days after issuance of Notice to Proceed
