

ADDENDUM NO. 1

2019 19-408 CR 76 TEMPORARY BRIDGE INSTALLATION

ESSEX COUNTY, NEW YORK

August 2019

TO ALL HOLDERS OF BIDDING DOCUMENTS:

This Addendum, issued to bid document holders of record, provides clarifications and additional information to the bid documents for the *2019 - 19-408 CR 76 Temporary Bridge Installation* project. All information provided herein shall be incorporated into the Contractor's bid proposal and become part of the Contract Documents. Adjustments required by each item shall be understood to apply to all document references affected by the clarifications described.

1. **General:** The temporary bridge superstructure supplier (*19-407 CR 76 Temporary Bridge Superstructure* contract) shall supply the bridge rail and all fasteners, posts, and other appurtenances required for the temporary bridge installer (this contract) to connect the rail to the superstructure. The temporary bridge installer shall supply and install transition splices and connection hardware to connect the bridge rail to the guide rail.
2. **General:** Essex County will conduct all asphalt paving required for the project. The contractor is responsible for all subbase installation and compaction per the Contract Documents.
