SUBJECT: Addendum #2 RFP Solid Waste Local Government Efficiency Engineering Study

This Addendum, issued to bid document holders of record, indicates changes to the bid documents for the *Solid Waste Local Government Efficiency Engineering Study* RFP Opening July 22, 2022.

PLEASE see the following Question and Answer:

Question:

Is the Solid Waste Management Plan update in Task 4 on Page 14 of the RFP referring to an internal document for the County's use only, or to a Local Solid Waste Management Plan for NYSDEC approval per 6 NYCRR Part 366 Regulations? Will the current Solid Waste Management Plan to be updated be made available to proposers?

Answer:

We do have a solid waste management plan that was prepared a long time ago. It needs to be updated to meet NYSDEC's regulations. Yes, the old plan will be made available to the selected firm after award.
