**QUESTION AND ANSWER (Q & A):**

3. Question: Special Note – Insurance Section references NYSDOT Standard Specifications §107-06. In Section 30.B.5 of the Instructions to Bidders, Special Protective and Highway Liability states, “The Contractor shall maintain, separate and apart from its umbrella policy, a policy issued to and covering the liability of the People of the State of New York, The State of New York, the Commissioner of Transportation, all employees of the Department of Transportation both officially and personally, any municipality in which the work is being performed, any public benefit corporation, railroad, or public utility...” *Could the Owner/Engineer please confirm New York State Department of Transportation will be the policy holder, and the named insureds will be the entities listed in the Instructions to Bidders & the Special Note – Insurance section including the municipality?*

Answer: The certificate holder would be the Sponsor (Essex County) with the State Department of Transportation and all other parties listed as additionally insured. There will only be one Special Protective and highway liability policy (OCP) and it will be between the Contactor and the County.
