

# Essex County Community Resources

## *What we do:*

Consult with Towns, County, Contractors and State on grants and regulations,

Apply for Grants,

Financial Management of Capital Projects,

Process Grant Claims,

Prepare Requests for Proposals (RFP) and bid documents,

Manage Contracts and multiple project schedules,

Support compliance on environmental processes,

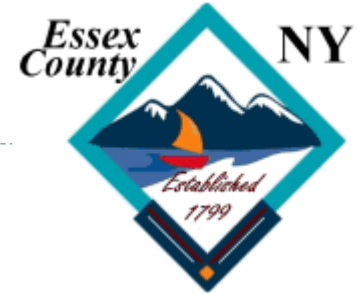

Collaborate with engineering and planning firms,

Provide in-depth knowledge of Town demographics and geography,

Coordinate Community outreach,

Research and project planning,

Develop projects with multiple stakeholders.
